INDUSTRY DEVELOPMENTS & PERFORMANCE REVIEW:

We are a real estate company doing most of the business in Hyderabad. The company is primarily focused in the residential real estate which forms a major chunk of the portfolio.

Currently there is one land available for development but due to paucity of funds, the same is not being undertaken.

The real estate industry has been facing challenges due to changing environment, be it the implementation of RERA, introduction of GST, changes in DCR rules, etc. These changes are expected to bring in positive changes to the industry in long term.

In 2019, Company tried for entering into a strategic understanding for Software and hardware products trading. However, it was realized by the Management by end of 2019 itself that the arrangement is not going to work out and the shares issued, and advances given were to be salvaged.

Subsequently, all available Legal steps have been taken to move out of the arrangement and taken recourse to safeguard the Company and its shareholders and the efforts are continuing.

We are also fighting a case in NCLT we are expecting a beneficial outcome on same, and it will be at the best interest of the investment of the shareholders of the Company.

During the year and at present, the trading of shares is very less and due to which the price of shares has fallen to low level.

Since the Company did not have ongoing Projects, the impact of COVID 19 pandemic has been negligible on the affairs of the Company.

With the working capital erosion, new projects could not be taken up and Company has landed into a vicious cycle which can be mitigated only by infusion of fresh funds or a strategic tie up for other business for which the Management is continuously making best efforts.

ACKNOWLEDGEMENTS:

Before I conclude, I wish to express my deepest gratitude to our shareholders, clients, venders, partners and Governments for their continued support and trust in us over all these years. And of course, I look forward to your continued support and best wishes.

I now request the Company Secretary to take the proceedings of the Meeting.
